**Apologies** were received from Charles Looker.  
(CC Will Looker)

### Gala Day

1.RW suggested that one of the arena activities for the under tens could be a race between teams of children carrying water to be poured into large marked containers. AH said that he had suitable containers. It was agreed that KC would assist AH and WL organise the game. RW volunteered to transport the water.

2.PH reported that all licences asked for in May's meeting were covered.

3.AS, CO, and HG would organise the parade up at Judith's Field. They might need another 2 stewards and a car to lead the parade if the police were called away to deal with an incident. KC "volunteered" to lead the parade participants onto the arena and Sy.B would be positioned on the bridge to prevent too many people crossing as the parade arrives.

Action: AS will provide AH with the trophies on the Friday before Gala Day. The Muir Bus will be asked to park on the Causeway and AH will provide them with a pitch for a stall.

4.SB said that at least 3 volunteers in High Viz tops would be needed on the Rec through the day. St John's should use Nina's tent, erected alongside the stage, as a working station. WL to liaise with JM about transporting the church chairs to the Rec.

### Gala Week

The Tug o' War competition will be held on Sunday 25th June at 5pm on the Recreation Field.

### Picnic in the Park

MD gave an update on plans for P in the P. Volunteers for the event were needed. Action: AH to send a "map" of the Rec to MD.

NC gave a brief update on plans for the Duck Race. Action: AH to provide an additional bag for the newly acquired Ducks.

### Bridge Magazine

SB reported that the revenue from adverts in the Bridge were much lower this year so the Bridge will probably make a loss. He thought that someone was needed to take over responsibility for this area next year who had the time to chase advertisers. Also, we need a volunteer to be Editor.

ACTION: Please consider and advise at the next meeting.
