Fireworks Night

- 1) CL agreed to organise the fire.
- 2) It was confirmed that AH and Bonnie had agreed to organise the firework display.
- 3) The police would have to be contacted. SB to be contacted to see if he had already done so. NB. Could the police be asked to stay until the fire had been dealt with as this was the time when problems had arisen in the past.
- 4) The Guys should be taken to CL's barn on the Friday before Fireworks Night.
- 5) Action: Anne Looker to invite the Mayor to judge the Guys.
- 6) It was hoped that Roy and Christine White and Dai and Jean Morgan would sell tickets on the front gate and Tex and Nina Collier, Elwyn Hughes and Judith Kay would sell at the back gate. It was hoped that BH would be selling fluorescent necklaces/bracelets.
- 7) Action: PH to email AH about hiring a cleaner for Judith's Field and AS about inviting the Gala Princesses. NB. Princesses to make themselves known at the entrance and to be taken to PH on their arrival.

(Chairman's note – the Gala Princesses and their immediate family should be given free entry)

AOB

- 1) MD confirmed that £313.60 had been collected on Gala Day.
- 2) CL mentioned that Cambridge Display Technologies, based in Godmanchester, were producing prototypes of high tech developments worth millions of dollars here. He thought it could form the basis of an article for next year's Bridge magazine.

The next meeting will be on Thursday 13 October – 8pm at the Comrades Club.
